## **CONTINUATION OF THE GROUP'S IMPRESSIVE DEVELOPMENT**

- AKKA continues its impressive development in the wake of its excellent start to 2018.
- The Group is optimising its organisation as part of its **CLEAR 2022** strategic plan. Significant progress has been made in strengthening AKKA International, and the transfer of the Group's headquarters to Brussels, in the heart of Europe, is effective as of today. This will give the Group even firmer foundations on which to base the acceleration of its international expansion.
- The **CLEAR 2022** plan aims to enable the Group to capture the growth offered by the digital revolution, permanently improving its financial performance. Its 2022 targets are as follows:
  - **€2.5 billion** in revenue,
  - **€250 million** in operating profit from ordinary activities,<sup>1</sup>
  - **€150 million** in free cash flow.

### **Transfer of the registered office – Notification of the Member State of origin**

*The information below constitutes regulated information as defined by the Belgian law of 2 August 2002 and the Royal Decree of 14 November 2007 on the obligations of issuers of financial instruments admitted to trading on a regulated market.*

- The Shareholders' Meeting of AKKA TECHNOLOGIES SE met on 3 May 2018 to take note of the transfer of the company's registered office to Belgium, at 143 Avenue Louise 1050 Brussels, in execution of the decision of the Extraordinary Shareholders' Meeting of 22 February 2018.
- The company was registered in Belgium on 3 May 2018; the transfer of AKKA TECHNOLOGIES SE's registered office is therefore effective from that date.
- The Member State of origin for the application of Directive 2004/109/EC of the Parliament and of the Council of 15 December 2004 (the Transparency Directive) is Belgium as from 3 May 2018. Consequently, the competent authority for monitoring the company's compliance with its obligations in respect of regulated information as from that date is the FSMA.

*About AKKA*

*"The best way to predict the future is to invent it. Let's share our passion for technology."*

*Founded in 1984, AKKA today ranks as the European leader in engineering consulting and R&D services in the field of mobility. With 16,300 talented employees working in more than 20 countries, the Group recorded revenue of €1.3 billion in 2017.*

*A partner in innovation, AKKA boasts a prestigious customer portfolio featuring leading companies in the automotive, aerospace and rail sectors, as well as in the life sciences, services, telecommunications and defence. The list includes Airbus Group, Alstom, BMW, Daimler, GE, GlaxoSmithKline, Renault, Safran, Thales, Volkswagen and Volvo.*

*AKKA provides technological solutions to these major groups, enabling them to improve their innovation processes, their added value, their productivity and their efficiency when designing new products or processes, right through to the industrial production phase. Its unique geographical positioning around its Franco-German axis, its capacity to deliver cross-sector and transnational solutions and its in-depth expertise in the technologies of the future (AI, ADAS, IoT, Big Data, robotics, embedded computing, machine learning, etc.) allow it to assist its customers in their two key challenges, namely globalisation and digitisation. Digital technologies and the technologies of the future today represent 15% of AKKA's revenue.*

*AKKA is listed on Euronext Paris – Segment B – ISIN code: FR0004180537.*
